## More About Us...

### **Q. Where did you live prior to City of Decatur?**

A. Gwinnett County – we still have a home there.

### **Q. Who are your kids, their ages, and grade levels?**

A. Paul Jr. aka PJ is 15/10th grade/DHS and Dylan is 11/6th grade/Renfroe.

### **Q. When are your birthdays?**

A. Paul Sr. February 25, Toronnia June 12, Paul Jr. June 8th, and Dylan April 29th

### **Q. Something most people don't know about your family?**

A. We're all soccer players. The boys still play. Toronnia has played for 7 years in an over-30 women's league and Paul Sr. played a couple of seasons in a men's league.

### **Q. Share some more interesting stuff!**

A. How We Met: Paul was the FedEx guy and he delivered a package to a property Toronnia was managing. From hello to "I Do" was 2 months and 3 days... we'll be celebrating 19 years this year 😊. We love to travel – we have been to just about every Caribbean Island, Mexico, South America, Greece and Italy. Our favorites were south of France, Turks and Caicos, and the Greek Islands. We have taken a family vacation out of the country every year for the past 10 years.

### **Q. An accomplishment you're most proud of?**

A. Toronnia, a real estate investor, retired from her VP of property management career after almost 20 years at age 43. She started her own real estate investment company and quickly grew it to a 7 figure-plus company in less than 2 years! Paul is a service manager with Cortland Partners and an amazing contractor. He can build just about anything!
